

About the Camps:

The Northville Soccer Association Soccer Camps are structured to give players an opportunity to enjoy the game of soccer in a fun and developmental environment. Players will be grouped according to age, ability, experience, maturity, and competitive spirit. All sessions will be tailored to incorporate both fun and technique based activities in an effort to develop players in an enjoyable yet soccer specific environment. Camp groups will be lead by Rush staff coaches, college players and local high school players. We ensure an excellent environment for every player that attends!
