Coach's Code of Conduct

Northville Soccer Association
PO Box 34, Northville MI 48167
248 924-2115
www.northvillesoccer.org

1. Enthusiastically support and practice the philosophies of the Northville Soccer Association. The pursuit of continuing education and licensing is one of these principles.
2. Be reasonable in your demands on a player's time, energy, enthusiasm and performance on the soccer field.
3. Impress on your players that they must abide by the Laws of the Game at all times.
4. Develop team respect for the ability of opponents, and for the judgment of referees and opposing coaches.
5. Ensure that your players have a fun and enjoyable soccer experience (winning is only part of it). Players should never be yelled at or ridiculed for making mistakes or losing a game.
6. Set a good example and be generous with your praise when it is deserved. Children need a coach they can respect.
7. Check your equipment and playing facilities. They should meet safety standards and be appropriate for the aide and the ability of your players.
8. Follow the advice or a physician when determining when an injured child is ready to play again.
9. Safety is paramount to NSA, I will renew my CPR and First Aid certification as needed and follow the guidelines set by MSYSA's Risk Management package.
10. For all practices and games: at the first sign of lightning or upon hearing thunder I will immediately take my team to safety. After 30 minutes if neither are observed or heard and if time is allotting I will then continue with the activity of my team.
